Using Mind Maps

Watch this short clip on how to make an effective mind map (play from 1 min 15secs)

So in summary:

1. Make your mind maps **eye-catching**: big, bright and colourful
2. **Hang them around your room** so you can see them regularly
3. It really helps if you use **CAPITAL letters**, incorporate **doodles** and use **different colours** for each ‘branch’
4. You can use a mind map as a ‘**mental splurge**’ then they are a good way of assessing your existing knowledge
5. Use your **exercise books**, **text books**, **revision guides**, **class PowerPoints** to add information to your mind map
6. To help memory, keep your writing and branches horizontal if you can.
