### Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

Our school aims to promote respect for the difference and diversity in accordance of our values such of a Proud, Ambitious, Respectful and Kind community.

### Purpose of this statement

The purpose of this statement is to define the The Wilnecote School’s commitment to equality and diversity and represents our commitment to a common set of values and objectives, and to a consistent approach to communicating, implementing and monitoring the practices it includes.

The school is committed to equality in both employment and education provision. We aim to ensure that students, parents, governors, employees, contractors, partners, clients and those who may potentially join the school community, are treated fairly, and with dignity and respect.

This policy encompasses the following protected characteristics:

- age
- disability
- race, colour, nationality, ethnic or national origin
- sex (including transgender)
- gender reassignment
- pregnancy and maternity;
- religion or belief
- sexual orientation

- marriage and civil partnership (for employees)

The Trust recognises that it is also unlawful to discriminate by association or perception, e.g. treating an employee unfairly based on the Protected Characteristics of their parents or other family members. This policy recognises the four types of unlawful behaviour

- Direct discrimination
- Indirect discrimination
- Harassment
- Victimisation

Every possible step will be taken into account in the aim of ensuring individuals are treated fairly and decisions are based on objective criteria.

### **Equalities Statement**

This statement is underpinned by the Equalities Act 2010, and the school will ensure that equal opportunities and the principles of fairness underpin all aspects of policy, procedure, education provision, consultation and decision making.

- The school is committed to equality in its delivery of education, whether or not the service is directly provided by us or contracted out to a third party provider.
- The school aims to provide high quality education services, making sure services are easily accessible.
- We will improve what we do by continuing to consult with staff, students, parents and governors, their communities and partners about equalities issues, on a regular basis.
- We will promote our equal opportunities policy in our contact with parents, staff, governors and external organisations.
- We will make every effort to create equality in opportunities in order to ensure they are accessible and fair to everyone.

### **Equality Objectives**

- Every person has the right to be treated fairly, regardless of race, gender, sexuality, disability, age culture, religion, nationality or caring responsibilities.
- Where necessary we will implement reasonable adjustments, or additional support, to ensure equality of access to the workplace and supporting the employee in a suitable working environment.
- Our staff and the School Standards Committee who agree and deliver our education provision, will recognise diversity and demonstrate a proactive approach in their day-to-day work. They will ensure that everyone is treated fairly, recognising special needs and understanding differences.
- Behaviour will reach our high standards of conduct (staff and students) and the learning and working environment we provide will be safe and accessible for those studying and working.
- The school will adhere to statutory Government legislation and give consideration to other relevant guidance, which aim to make sure that everyone is treated with equity.
- The school will not tolerate any form of discriminatory behaviour against members of the school family.

### **Employment**

The school is committed to ensuring that employees have equal access to jobs, training, and professional development opportunities. Under the Equalities Act 2010, the school recognises that the Act extends beyond the protected characteristics of an individual employee and has broader responsibilities to employees and situations that may be covered by the Act. For example, an employee with parental or caring responsibilities for a disabled dependent may have rights under

the Act which the school would need to consider.

All recruitment will be within the provisions of the act, and applications will be monitored to report on recruitment activity, in line with the act.

### **Contractors and Service Providers**

The school will ensure that all service providers that are contracted to provide services to students, staff or visitors will comply with equalities legislation. Where services are deemed not to meet the school's standards, in relation to equal opportunities and fairness, contracts may be terminated.

### **Monitoring and Review**

Equality of opportunity is an area requiring careful and ongoing monitoring.

Monitoring the following will enable the school to see where equality of opportunity needs to

be more intensely focused.

When incident of concern occurs, the school will fully investigate and utilize our Behaviour policy and our Anti bullying policy to decide on the most appropriate response. Staff will record incidents on a specialized reporting document which are collated to establish patterns for staff training or pastoral intervention or revision of schemes of work related to British values and Personal Social and Health Education. Patterns are tracked via a standalone monitoring system that records all alleged incidents whether proven or unproven.
