

The Wilnecote School

SEND Information Report

Member of leadership team with lead responsibility for oversight and update of policy	Mr. M Herbert
Approved at SLT	November 2024
Policy approval at Governing Body	December 2024
Policy review cycle	Annually
Policy review date	December 2025

The Wilnecote School's SEND Information Report

At **The Wilnecote School**, we are dedicated to meeting the diverse needs of all students, ensuring that each individual receives the support required to thrive academically and socially. Our approach to Special Educational Needs and Disabilities (SEND) is rooted in inclusivity, and we aim to create effective opportunities for learning by addressing each student's specific needs.

We believe in the importance of high-quality teaching, which is provided consistently throughout the school. Our teaching practices are adapted to ensure that students face suitable challenges while overcoming any barriers to their learning. We follow a **graduated approach system**, as recommended by the **SEND Code of Practice (2015)**, to identify and support students at different levels of need.

In line with our commitment to inclusivity, we ensure that our practices are compliant with the **Equality Act 2010**. We use the definition of SEND as set out in **Section 20 of the Children and Families Act 2014**, ensuring that our approach is both holistic and legally informed.

A child or young person has SEND if they have a learning difficulty or disability which calls for special education provision to be made for him or her. A child can be placed on the SEND list if they are making less than expected progress given their age and individual circumstances. This can be characterised by progress which:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better the child's previous rate of progress
- Fails to close the attainment gap between the child and their peers
- Widens the attainment gap

In this booklet you will find information that will answer questions on Special Educational Needs and Disabilities and how we provide them at The Wilnecote School. If, after reading this report, you still have questions please contact the SEND department using send@wilnecotehighschool.org.

Key people within the Inclusion Department

Assistant Headteacher and SENCO	Mr Herbert
Assistant SENCO	Mr Beck
Assistant SENCO	Miss Andrews
SEND Administrator	Mrs Holmes
Pastoral Lead	Mr Brett

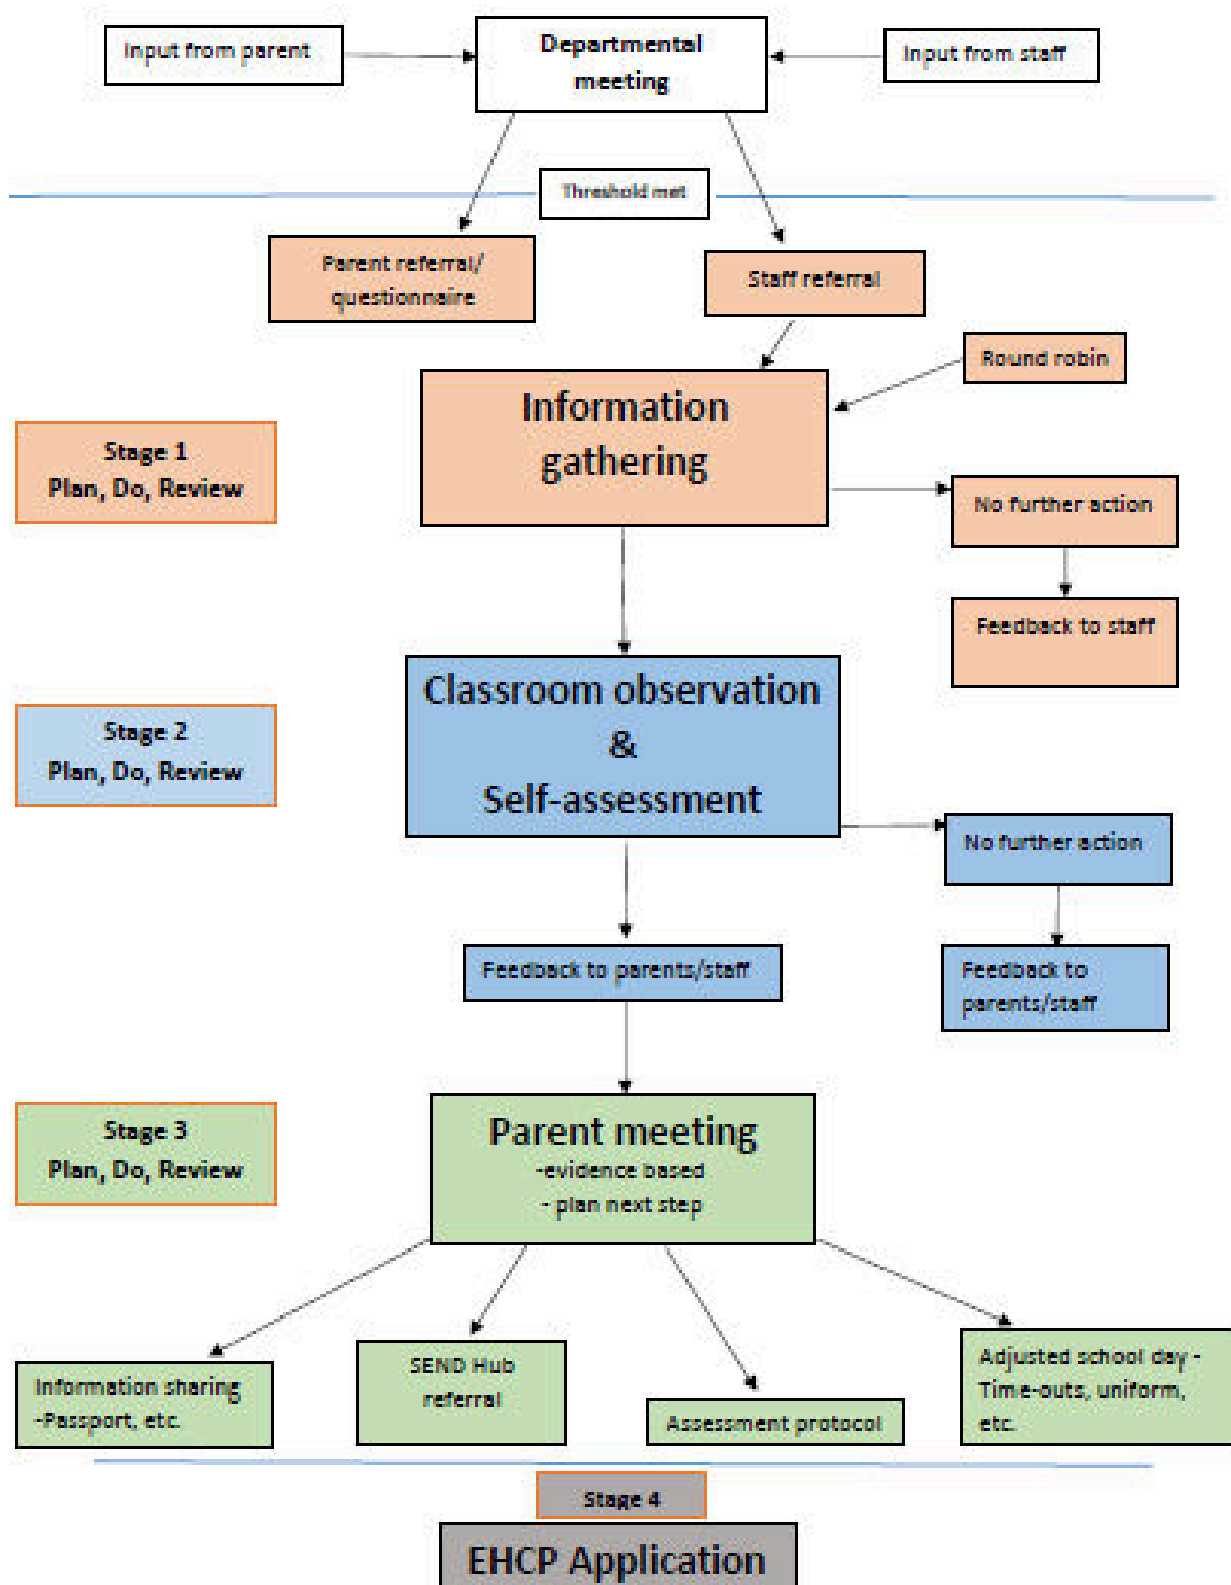

In addition, 6 full time Teaching Assistants, working across the school to support students in subject areas.

- At Wilnecote, we endeavor to provide each student with SEND the support and adjustments necessary to allow them to flourish within our school. Subject teachers are responsible for the progress and development of students in their class, including the support given by Teaching Assistants or external agencies.
- High quality first teaching, adapted for a student's needs, is the first way we respond to students who have SEND. Additional intervention and support cannot make up for a lack of good teaching. To support this, teaching at Wilnecote is regularly reviewed. We have a thorough CPD (training) program to ensure teachers have a good understanding of strategies to support and identify vulnerable students and their knowledge of SEND is up to date.
- When a student is identified as having SEND, we use a four-step process to ensure barriers to learning are removed and effective provision is put in place. This process is known as the '**Graduated Approach**'. We use the SEND referral process to ensure that parents, school and external agencies work together, ensuring the student is at the center of all provisions and support provided.

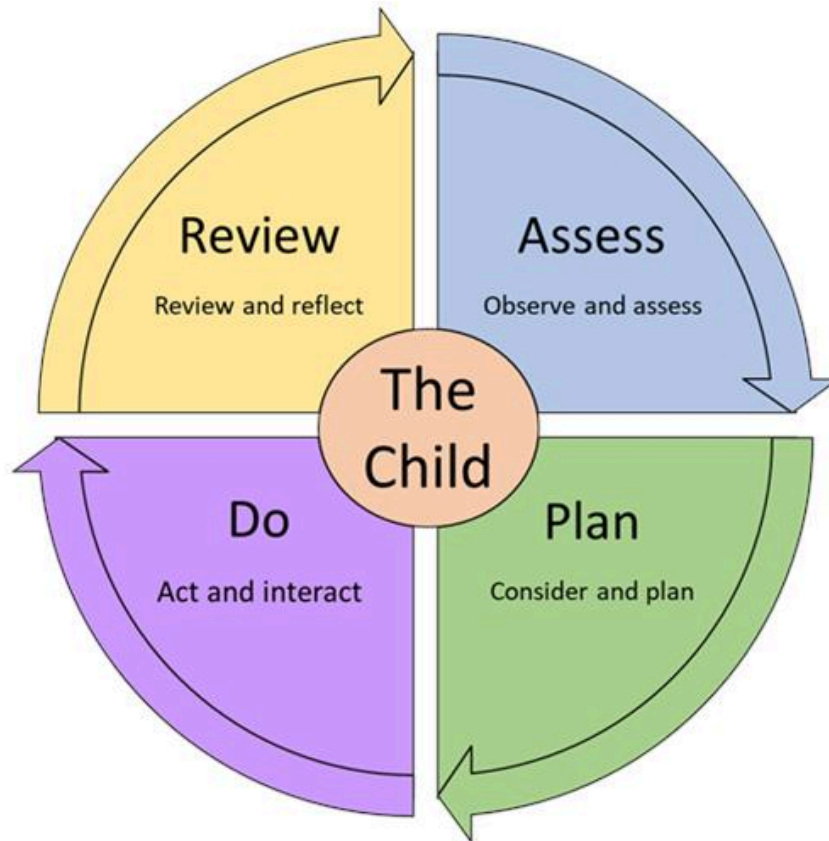

SEND Referral System

Assess, Plan, Do, Review

The Broad Areas of Need

Types of need and what that could look like	Examples of support in our school
<p>Cognition and Learning This is when a student learns at a slower pace than other students in their class. It may be that they have a low reading or comprehension age, dyslexia, dyscalculia or dyspraxia</p>	<ul style="list-style-type: none"> • Adapted curriculum, in lessons, through high quality teaching • Ability-based teaching groups where necessary • Literacy support • Numeracy support – targeted intervention • TA support in lessons to support students
<p>Communication & Interaction This is when a student has difficulty communicating with others. This may be what they are saying (appropriate use of language) or understanding what is being said to them and social interaction with others – Autism falls into this category</p>	<ul style="list-style-type: none"> • Social interaction and communication groups • Social clubs during lunch and after school • Social skills working groups • Targeted support tailored to the individual • Work with support services and Educational Psychologist when necessary • External support from Autism Inclusion Team for students and Staff. • Regular updates for Staff.
<p>Social, emotional and mental health difficulties This is when a student displays challenging, disruptive or disturbing behaviour. This disruptive behaviour is managed so it doesn't affect learning</p>	<ul style="list-style-type: none"> • Social clubs during lunch and after school • External agencies, School Nurse, Educational Psychologist, Specialist Teacher Service, CAMHS • Range of therapeutic interventions • Work with Educational Psychologist when necessary • ARC attendance support – Monday, Wednesday and Friday mornings.

Sensory and/or physical needs

This is when a student has a disability that hinders them from using the educational facilities provided.

- Sensory Audit – to ensure student’s needs can be met
- Visual and Hearing Impairment Risk Assessments & adjustments to school (e.g. Accessibility/health & safety)
- Sensory Support
- Liaison with the Integrated Disability Service (IDS) and Occupational Therapist

Useful acronyms:

CAMHS – Children and Adolescent Mental Health Service

CPD – Continuing Professional Development

DSL – Designated Safeguarding Lead

EHA – Early Help Assessment

EP – Educational Psychologist

GP – general practitioner (your doctor)

HI – Hearing Impairment

IDS – Integrated Disability Service

LP – Learning Plan

JCQ – Joint Council of Qualifications

LSA – Learning Support Assistant

OT – Occupational Therapy

SENCO – Special Educational Needs and Disabilities Coordinator

VI – Visual Impairment

	General	Specific Area Focus			
		Communication and interaction	Cognition and learning	Social, emotional and mental health	Sensory and/or physical
How will my child be included in activities outside the classroom, including school trips?	<ul style="list-style-type: none"> Adaptation of the activities Risk assessments are carried out prior to any off-site activity. Whilst every effort is made to provide equality of opportunity for all students, in the unlikely event that it is considered unsafe for a child to take part in an activity, then every effort will be made to provide an alternative activity which will cover the same curriculum areas, where the activity is considered an essential part of the curriculum. 	<ul style="list-style-type: none"> Specific arrangements are put in place by tour operators/trip providers to accommodate students with specialist needs, where possible. TA/member of staff will accompany students on trips where support is needed. 			
How accessible is the school environment?	<ul style="list-style-type: none"> The school prides itself on being able to support students with a range of disabilities. All curriculum areas are accessible for students, some department areas are accessed via a lift. 	Medical/ specialists provide guidance and parent support to enable all students to access this.	School Maps are located around the school and on the school website Visual Timetables are made for individuals to access the curriculum independently.	Pastoral leads are available during break and lunch.	<p>Access toilets in various areas of the school.</p> <p>Ramps and lifts to allow access to all areas of the school.</p>

	General	Specific Area Focus			
		Communication and interaction	Cognition and learning	Social, emotional and mental health	Sensory and/or physical
<p>How will the school prepare and support my child when joining The Wilnecote School or transferring to a new school or post-16 provision?</p>	<ul style="list-style-type: none"> • Transition meeting between the Year 6 teacher and the Transition Co-Ordinator. • Year 6 parents evening for all new students and an opportunity to meet with the SENCO • A member of the SEND department meets with each student’s previous SENCO (if SENCO is not available Headteacher or classroom teacher • SENCO attends the annual reviews at previous school, where possible. • Year 6 transition Coffee morning for all parents to attend. 	<p>Meet with the student prior to starting in Year 7 – tours offered</p>	<ul style="list-style-type: none"> • Transition meeting between the Year 6 teacher and the Transition Co-Ordinator. • When requested we will support external meetings for Year 6 students coming to the Wilnecote School 	<p>Students are offered a TA to mentor them through the transition period</p>	<p>SEND meets the provision of support for adults at the previous school to see how we can meet the student’s needs. Meet with the parents/carers, where appropriate, to ensure we meet the student’s requirements to access the site.</p>
<p>How are the school’s resources allocated and matched to children’s special educational needs?</p>	<ul style="list-style-type: none"> • Our team of 6 Teaching Assistants, 2 Assistant SENCO’s, SEND administrator are funded from the SEND budget. • The budget is allocated on a need’s basis. The children who have the most complex needs are given the most support, often involving TA in class support. • The distribution of the TAs is allocated to support as many students with SEND as possible and reviewed regularly. • Those on an EHCP, the SENCO will apply on behalf of the student for additional funding to support the individual within the school environment. 				

	General	Specific Area Focus			
		Communication and interaction	Cognition and learning	Social, emotional and mental health	Sensory and/or physical
How is the decision made about how much/what support my child will receive?	<ul style="list-style-type: none"> • If there is an ECHP already in place, discussions will take place at the Annual Review meeting • Exams concession testing may be used to identify what special access arrangements are needed for examinations • Students are all treated as individuals. • On-going discussions between parents/carers and SEND team • Students may move off the SEND register if they make sufficient & sustained progress. 	Information passed on by primary schools is used in the early years of secondary school to help identify appropriate support. Feedback from the specialist staff within school e.g. Behaviour Manager, head of Year	Information passed on by primary schools is used in the early years of secondary school to help identify appropriate support.	Recommendations from outside services such as CAMHS and Educational Psychologists.	Meetings with the primary school and any reports from specialised services making recommendations as to reasonable adjustments for students with specific disabilities
How will I be involved in discussions about and planning for my child's education?	<ul style="list-style-type: none"> • Consultations with the SENCO • Regular parents' evenings and curriculum evenings • Termly SEND Coffee mornings. 				
What do I do if I want to make a complaint about SEN provision?	<ul style="list-style-type: none"> • For any issue with SEND provision in the first instance contact SENCO and SEND Department send@wilnecotehighschool.org • If this issue is unresolved, please contact Mr Thomas, Deputy Head Teacher lthomas@wilnecotehighschool.org
